In the bleak midwinter, please join us for a day of music. This event is open to ANYONE interested, of all skill levels. You don’t need to be an AGO member, or even play the organ (though we’d like to interest you in both!) We are especially hoping to reach church musicians who have never attended an event like this. Spread the word and bring a friend. Please bring unwanted music for our giveaway table (organ, keyboard, choral, solo, instrumental.) And as a bonus, several major choral music publishers (GIA, Augsburg Fortress, WLP) have generously donated packets of sample choir anthems which you will receive free. The Cathedral is centrally located and has ample parking. The low \$8 registration covers a morning coffee break and a deli platter lunch.
